**COVID 19 LOCKDOWN UPDATE
ALERT LEVEL 3**

2 September 2021

Dear Parents, Caregivers and Whanau

We are in the process of planning for next week, **Monday 6 September to Friday 10 September** where we will continue to be working in ALERT LEVEL 3 conditions. We need to know from you how many children will be returning to school next week.

The expectation of the Ministries of Health and Education is that at ALERT LEVEL 3 children should remain at home if there is a parent or caregiver to look after them and that they continue with their Online Learning Programmes.

Your child's teacher will continue to send home to you next week your child's/children's Home Learning Programme.

We ask that you indicate to your child's teacher via Seesaw or email whether your child/children will be returning next week. We need to know this information by tomorrow Friday 3 September by 9am.

Thank you for your support.

Kind regards
Liz Crowley and Staff
